## Wastewater Emergency Information

### Emergency Contacts

#### PW Operator

Klinton Cain

780-360-4664

#### PW Coordinator

Amanda Stewart

780-360-4715

### Helpful Information

- For repairs or maintenance, contact the PW Operator (Klinton Cain). Call-out charges will apply.
- For advice on the wastewater system, contact a member of Council.
- If the alarm rings on your control panel, this does not indicate an emergency but that attention to the system is required. Push the red button on the front of the panel to silence the alarm for 12 hours, and contact Klinton to assess the problem.
- If you hear an alarm sounding from a neighbour's control panel, contact the homeowner or a member of council. You can silence the alarm for 12 hours by pressing the red button. Please do not ignore the ringing alarm.
- If you see an emergency such as wastewater flowing to surface, contact Klinton and call a member of council.
